ABA STAFF DEVELOPMENT/CERTIFICATION

(With guest instructors)

We are proud to announce a concentrated Director Workshop to be held before the Spring National in Tampa. The session will begin at 1:00 PM April 12 and continue until about 5:00 PM on April 13. This will be comprehensive, hands on workshop with handouts provided on a USB Jump.

The proposed agenda will include: Director philosophy, ABA procedures and policy, ACBLscore to include; database update, pair and team game setup, multi-section/session setup, scoring across the field, tournament database setup, Bridgemate Electronic Scoring System, laws review and ABA Tournament Scoring System.

We promise a very informative and beneficial workshop for all directors. This will be more than just a seminar, you get to actively participate. So update and bring your laptops, sign up and plan to improve your computer and directing skills.
