The American Bridge Association is a time honored organization started by our fore-fathers in a time when there was no other place for us to enjoy the competition of the game. It is my strongest desire to keep the ABA alive and vibrant, but to achieve that goal some very significant changes must be made to the way we do business. We are often afraid of change but as the world changes around us we must lose that fear and meet change enthusiastically. If you want to be on the cutting edge to revamp and revitalize the American Bridge Association; if you want to insure the longevity of this organization and set the tone for its future, then you must vote for HENRY "HANK" IRWIN to be the next president of the American Bridge Association. FLY HIGH WITH HANK AND KEEP THE ABA ALIVE!!!

What a **FANTASTIC TOURNAMENT!** The final figures are not in yet, but it looks like the ABA had the most successful Spring National Tournament in quite a while. Thanks to all of the ABA members that attended the tournament and supported the Eastern Section in its quest to provide good hospitality, great tours, and some fun activities for all who attended. The different venues for different events was refreshing and gave all of us an opportunity to get in a little exercise. There were several canes in sight but fewer scooters. The complimentary breakfast gave everyone a chance to eat and be on time for the 9:00 AM game. Whatever it took to get that meal was worth it, thanks! And, how about some biscuits and grits next time? (smile). For the record, I looked up Easter for the next six years:

- ◆ 2012—April 8 As the ABA Board of Directors reviews dates for future
- ◆ 2013—March 31 tournaments, these dates may be helpful.
- ◆ 2014—April 20
- ◆ 2015—April 5
- ◆ 2016—March 27

See you in the Desert!

If you would rather not play with hand records, you have GOT to play on a team. You will find that the boards you deal offer the same challenges that "made boards" do. I'm Just Sayin'!
