

A.B.A. FLASH

78th Summer National Tournament American Bridge Association, Inc. Scottsdale/Phoenix, AZ

Information Issue

THURSDAY

July 28, 2011

Welcome to Scottsdale and the 78th ABA Summer National Tournament. I believe I'm safe in saying that this is the first ABA National Tournament held in Arizona. Everyone has worked diligently to ensure that it is one that will be long remembered. The hotel is beautiful, the parking is complimentary and the casino houses a variety of slot machines and gaming tables.

I look forward to seeing you at the Inspirational Service, the General Membership Meeting and the Awards activity. Enjoy your stay and I wish you good luck at and away from the bridge table.

Leola Rucker. President

Souvenir Journal Information

All Clubs/Units/Sections that purchased a full page ad may pick up a copy of the Souvenir Journal at the Host Group Table near the playing area. If you would like to purchase a Journal, they are \$5. There are only a limited number of journals available. They will be sold on a first come, first served basis.

If your club/unit/section has not paid for your ad, please do so at the SJ table. It would really be tacky for me to print your name in the FLASH as UNPAID. So, if you can take care of that as soon as possible, I would appreciate it.

LIFE MEMBERS LISTED IN THE JOURNAL

The life members listed in the Souvenir Journal include names of paid and unpaid life members in the ABA. If your name is listed and you wish to pay, it is only \$10. Thanks!

COMPUTER WORKSHOP

Hopefully you brought your laptop with you to this tournament. When they said "FREE INTERNET IN THE ROOM", that gives all of us an opportunity to "stay connected." The workshop on Thursday, August 4, 2011 at 6:00 PM in Quail F is designed to help you learn how to "surf the net", "stay connected", "communicate", and just have fun on your computer. Please bring your laptop with you to the workshop. If you didn't bring it, come anyway! Bill Turner, our ABA Webmaster, Willetta Phipps, our National Secretary, and I, FLASH editor, will all be there to discuss our website presentations, etc. See you there!

President Obama's Birthday AUGUST 4TH

An overwhelming number of Americans elected President Obama and millions still support him, but too many of us do so silently. If the progressive agenda we elected the President to achieve is to be successful, we must help the President achieve it. We cannot allow the media to report from negative positions without challenge. Just as others demonstrate their hatred and disrespect of President Obama, we must actively demonstrate our support.

We call on ALL who support President Obama to take action. On August 4th, the President's birthday, we ask those who support him to wear any campaign item from the Presidential election as a demonstration of our ongoing support. Bring out your old campaign paraphernalia.

If you don't have caps, buttons or tee shirts, wear a red, white, and blue tri-color ribbon or clothing on August 4th. If nothing else, this simple demonstration of support for our President will provide a counteraction to the negativity that spews forth daily. We can do this. YES WE CAN. YES WE WILL.

Listen Up Players!

ZERO TOLERANCE for Late Registrations holding up the game. Registration will close 15 minutes before game time. Don't subject others to your disregard of timeliness. Fair warning: **Beat the 15 minute registration shut down or get shut out of the game!** Also, if you want a NORTH/SOUTH, you should come down early to register!!!!

Cell Phone Policy

Ladies and Gentlemen: The policy is very simple and applies to EVERYONE! If your cell phone rings during play, you will be penalized 3imps. If you answer your phone, you will be penalized an additional 3imps. So, what do you do if you are expecting a call? You tell the director in your Section that you are expecting a call and you give the phone to the director so that if it rings (it should be on vibrate even with the director). He or she will answer the call for you and take the message and immediately inform you of the call. You will not be penalized and you will not disturb the other players.

Players, please honor and respect this policy and there will be NO PROBLEMS.

AMERICAN BRIDGE ASSOCIATION SUMMER NATIONAL GENERAL CONDITIONS

REGISTRATION for all games except those requiring pre-registration shall begin promptly one hour prior to scheduled game time and close 15 minutes prior to game time. Entries will be sold after close of registration only if it accommodates the requirements of the game.

DUAL REGISTRATIONS preclude directors from having an accurate count for setting up the game and delay the start of the game. One-quarter board penalties may be assessed for this infraction.

ENTRY SLIPS that are not fully completed delay processing in the SCORING ROOM. ABA PLAYER IDENTIFICATION NUMBERS are singularly important to this process.

ASSEMBLY Players should be seated at their tables no later than ten (10) minutes prior to game time to allow the director to verify the set up. As a courtesy to those waiting to take their seats at their tables it is requested that all persons not registered for the event vacate the area until the game is underway.

THE DIRECTOR IN CHARGE will give instructions for the game approximately five (5) minutes before game time. Your attention will be expected and appreciated.

HAND RECORD PROTECTION To preclude possible compromise of hand records, players standing during the period the boards are being duplicated will be assessed a quarter board penalty for his pair.

SLOW PLAY It is not always possible to finish the round in the prescribed amount of time. However, as a courtesy to the field, it is expected that a diligent effort will be made to catch up on succeeding rounds. Pairs guilty of slow play should be reported to the Director, penalties might be assessed for consistently slow play.

PROPRIETARIES Players are required to take every precaution to avoid seeing cards from boards they are yet to play. (Whenever cards are inadvertently seen from a board yet to be played, the director should be summoned to determine whether the board can be played or if adjusted scores must be given.)

SCHEDULES All games on the National Tournament Schedule are assigned a grade level; Grade 1 (G - 1) through Grade 4 (G - 4). Masterpoints are awarded based on the grade level of the game. G-1 is the highest level, G - 4 is the lowest. Playing fee for all games is \$10.00.

CONCURRENT PARTICIPATION No player is allowed to play in two multi – session games at the same time. 5th and 6th members of a team are permitted to play in single session games opposite the first round of the Major Knockout, and Morning Knockout games. However, should their team progress to the next round, they will only receive masterpoints for the team game regardless of their finish in the single session game. 5th and 6th players are also permitted to play in single session games opposite the Board-A-Match team game. Players will not receive masterpoints from both games but only from the team game. Players entered in two games concurrently must play the entire single session game. Substitutes are not permitted. Players are not allowed to register for single session games opposite any round of the Knockout Teams other than the first. Players should notify the director selling entries that they are playing in another game at the time of registration. Violation of these rules could result in disqualification from both games.

PROTEST PERIOD Scores will be displayed on the SCORE STANDS until the expiration of the PROTEST PERIOD. Information regarding the end of the PROTEST PERIOD will be printed on each score sheet that is posted. Scores of completed events will be available for inspection in the Chief Scorer's Office.

SCORE CORRECTION Scores may require correction for two possible reasons – mistakes by the players making out the score slips, or errors not detected or introduced during the scoring process. In the first instance, where the players are at fault, there will be no correction of mistakes detected after the protest period has expired.

However, if the scoring process is the confirmed source of the error, a correction will be made whenever it is detected and reported. Scores that have been changed to incorporate corrections will be clearly marked as "REVISED COPIES".

SEEDING ALL FIELD IV PAIR GAMES WILL BE SEEDED. Seeding will be based solely on the masterpoints holding of the top member of the pair for all persons with 10,000 or more points. The next criteria will be strength of partnerships, and finally, the strength of individual players with less than 10,000 masterpoints. Early registration is required to ensure proper seeding. Directors will register and assign seeded players for events where balancing the field is desirable. In the past, Directors have been seeking out top players to determine their intent to participate in upcoming events. The purpose is to include them in the seeding process. The proper procedure is that players must advise the Director or arrive early in the registration process to ensure they are properly seeded. If a player, regardless of his/her masterpoint ranking shows up late and seeded slots have been filled, the game will not be delayed to reshuffle the field to accommodate the player. If a seeded slot is open, the player will be assigned to it, if not the player will be placed as best we can. Seeding at its best is an inexact process and a pair or two out of place should have little impact on the game.

THE GENERAL CONVENTION CHART will be in use at all masterpoint levels except 0 to 24. The Director will determine applicable conventions for their game to be approved by the N.T.A. (Class A & B conventions are recommended). The CONVENTION MIDCHART can only be used in National games with no upper masterpoint restrictions and any bracket of a flight A or B KO which contains no team with an average masterpoint holding of less than 1200. All special conventions must be submitted to the National Tournament Authority for advanced approval prior to use. The Super Chart applies to all National Events with no upper masterpoint limit in which the contestants play segments (Same Opponents) of 12 or more boards.

RESTRICTED AREAS There has been considerable congestion in the National Scoring Room and the National Awards Office precluding these functions from operating efficiently.

The Scoring Room will have a service table inside the door. This table will be arranged to control entry into the main scoring area. Scoring Room personnel will interface with anyone requiring help at the service table. This service includes making past event scoring material available for your inspection. The Awards Room will have a service table just inside the door, arranged to isolate the storage section of the room. Award Room Administrators will be available at the service table to meet your needs. Immediately behind the Administrators will be a sample of every trophy and the event for which it is awarded will be indicated. This will make it unnecessary for the players to roam the room to find the award they have earned.

AWARDS ROOM PROCEDURE We are acutely aware of the need of players to pick up awards for their partners and this practice will be allowed to continue. However, we have been faced with instances where a player has come to the Awards Office claiming never having authorized anyone to pick up his/her award, and placing blame squarely with the Awards Room Personnel for never having received the award. To preclude future occurrence of this experience, NO player will be allowed to pick up an award for his/her partner or teammates without a written and signed authorization. This written authorization will be made a part of the awards room records.

SCORE CORRECTION PERIODS INCLUDING "BOARD-A-MATCH" TEAMS

- SCORES FOR THE QUALIFYING SESSION OF THE FLIGHT "A" (FIELD IV) MIXED PAIR & OPEN PAIR CHAMPIONSHIPS MUST BE CHECKED AS SOON AS POSSIBLE. SCORE CORRECTIONS WHICH AFFECT THE QUALIFYING POSITION WILL BE SUSPENDED FIFTEEN (15) MINUTES PRIOR TO THE SECOND SESSION.

Score correction blanks can be found in the Scoring Office.

Morning Games	3:00 PM
Afternoon Games*	10:00 PM
Evening & Midnight Games	12:00 Noon the next day

BIDDING BOXES will be used in all Field IV games including the Swiss Teams and at least two top flights of the Knockouts. Bidding boxes will also be used in Field III (1200 to 1999). You are requested to close the bidding boxes at the end of the session.

BIDDING BOX PROCEDURE Some players illegally place pass cards on the table rather than in the bidding box and use them from this location. This can cause problems in a number of ways; an opponent can believe that a pass has been made when such a card has been accidentally touched or moved by a player. It also is a factor when a Director is called upon to rule about intent, a mechanical slip, or a change of mind since rulings in these situations are often based on which part of the box the used card is extracted. Separating pass from the double and redouble cards allows for marked indecision in these areas. Players will keep all cards in the boxes and use them accordingly.

NEW ALERT PROCEDURES have been in effect since 1 March 2002. These procedures were designed to simplify and improve the alert process by directing attention to player protection from highly unusual and unexpected conventions and treatments. However, there are some extensions, which address standard methods. All natural opening bids of 1NT require an

S
U
M
M
E
R

2
0
1
1

require an announcement. These bids must be alerted if they are conventional. Doubles and redoubles require alerts only when these calls carry an unusual or unexpected message. These procedures will be enforced at ABA National Tournaments.

HANDICAPPED PLAYERS are requested to pre-register to indicate their requirement for special seating. Players with obvious mobility problems will be given preference. Stationary East/West pairs will be discouraged.

CHECK CASHING POLICY Entry fees may be paid by personal checks made payable to the ABA for the exact amount of the entry fee. Registrar may request ABA membership identification. All other personal checks may be cashed by the ABA Treasurer. A handling fee of \$15.00 will be charged on all returned checks. Returned checks must be redeemed within thirty days of notification to preclude suspension.

HOSPITALITY BREAKS There will be no hospitality breaks. All rounds of pair events will be slightly longer to allow players to satisfy habitual or other needs.

PARTNERSHIPS If you need a partner for any of the events at the Nationals, there will be a PARTNERSHIP TABLE outside the playing area each day. People will be there to assist you an hour prior to each major event. REMEMBER - it is more likely that we can help you find a partner if you apply early.

ZERO TOLERANCE The ABA Board of Directors has adopted a zero tolerance policy for the organization and it will be strictly enforced. Discourtesy in any form, by anyone to anyone will not be tolerated. Repeated offenses will subject an offender to suspension from participation in a particular match. The National Tournament Authority will determine further participation in an event or the tournament. The National Appeals and Ethics Committee will address those issues, which require disciplinary action beyond the end of the tournament.

NO SMOKING WILL BE ALLOWED IN THE PLAYING AREA OR THE IMMEDIATE ENVIRONS AT ANY TIME.

PORTABLE COMMUNICATION DEVICES Use of cell phones or other portable audible communication devices are prohibited in the playing area after beginning of play. Any violation of this rule will result in a 1/4 board or 2 IMP penalty as applicable. Hotel personnel, selected NTA personnel in the performance of their duties, and use in medical emergencies are the only exceptions to this rule.

New Milestone?

If you earn a new level while you are at this tournament, be sure and sign up in the National Office and get your "level pin". The first pin is for **LIFE MASTER** for earning 100 points. The next level is **SENIOR LIFE MASTER** for earning 300 points. You are then eligible to "strut your stuff" at the **AWARDS AFFAIR** on Thursday morning. The next level is **RUBY** for earning 600 points and 1200 for **DIAMOND**. And yes, you receive an ABA pin with a small diamond in the middle. Many ladies have turned these pins into charms and wear them on bracelets. Be sure and find the editor of the **ABA BULLETIN**, Barbara Vinzant to have your picture taken for the **FALL** issue. Your assistance will make the Awards Affair run very smoothly.
