To my ABA Family

My Family and I, would like to thank the ABA family for their kind words, smiles, hugs and generosity. All of your prayers have been heartfelt.

It takes a family to raise one up. It also takes a family to care. The ABA Family has done both.

Thank you again and have a safe trip home.

MAY GOD BLESS YOU ALL.

Thanks from Hank

There aren't words to express the sentiment and gratitude that I have for those supporters who worked so hard and tirelessly during my campaign for Presidency of the American Bridge Association. I applaud you for your integrity and the positive approach that you mustered. You truly represented the essence of what Hank Irwin stands for and let me know how much my efforts are appreciated. I have learned over the years that when grand words won't adequately do the job, a simple thank you that comes from the heart cannot be out done. To all of you who gave words of encouragement, financial donations, time and energies communicating with ABA members across the country; I say, **"THANK-YOU FROM THE BOTTOM OF MY HEART"**. You all have demonstrated your love for the ABA. Though our effort for president was unsuccessful, we are all winners. Winners because you have established a viable network of members across the country for a common cause, **PERSERVING THE LONGIVETY OF THE AMERICAN BRIDGE ASSOCIATION**. I beg you not to give up the fight for change and to gracefully continue your support for the organization that we all love so dearly. I will not falter and I will not fail. I pledge my continued support and will support you any way that I can. I am committed for the long haul! **THANK-YOU, THANK-YOU, THANK-YOU WITH ALL MY HEART!**

A few words from JT

I would like to commend those who divided "A" Flight to over and under 5000. It makes for a very different type of game. The 2000 to 4999ers are having a more relaxed and enjoyable experience. Membership has asked for such a division for years. When an organization pays attention to its members, it WILL prosper and grow.

Since this is the beginning of a new administration, it is hoped that new innovations, and membership requests will be honored.

We all want what is best for this august body, but it must be remembered that the members ARE this organization.
