## From the Desk of the National President

**Leola  
Rucker  
President**

In approximately six weeks we will be bringing in 2012. Time really flies, especially when you are busy and having fun. My four year tenure as ABA President has come to an end. I thank you for giving me the opportunity to serve and for your tremendous support and love. Our incoming President George Hudson will need the same kind of support and love. Although being president is very rewarding, it is not an easy job. This has been a wonderful experience for me and I will always treasure it. Kudos to my outstanding staff and

committee chairs who did an excellent job. We can be proud to say that we leave the ABA financially sound, have made some major changes in accordance with membership desires and have initiated other projects that will be coming to fruition in the near future.

I plan to travel to as many tournaments as I can, finish a couple of projects that I have started and teach bridge classes in an effort to increase our membership. If you have friends or relatives in the Tidewater area (Norfolk, Portsmouth, Chesapeake, Virginia Beach, Suffolk, Hampton and Newport News) who want to learn to play bridge, please let me know. My target age is fiftyish or close to retirement and I will conduct classes on the weekends to accommodate those who are still working.

All of our last tournaments have

been successful; we even made a little money on Arizona. Currently, I am working on a contract with the Waterside Sheraton in Norfolk for our 2013 Spring National and I plan to have 2013 Summer National booked by the end of the year. Tournaments for 2012 are in Tampa, Florida (Spring) hosted by the Southern Section; and Indianapolis, Indiana (Summer) hosted by the Indianapolis Bridge Unit. I definitely plan to attend and look forward to seeing most of you there.

I urge you to add \$5.00 or more, if you can, to your donation earmarked for the ABA Foundation, to your 2012 membership dues.

The Board of Directors and I wish you the merriest of Christmases and a healthy, happy and prosperous 2012.

I'll see you on the tournament trail; meanwhile, *take good care of yourself and be happy.*

# Message from the National Vice President

## **CARRY A SMILE THAT NEVER FADES**

It's the Holiday Season and we are reminded of the precious gifts we have: Family, Friends and Love. These alone are enough to keep us happy and smiling into the New Year! As we celebrate this glorious season, let us not forget the "reason for the season." We should all apply the seven principles of life into our lives and into our beloved American Bridge Association.

1. **Unity:** We must strive for unity in our family, community and the ABA.

2. **Self determination:** Define our lives for ourselves instead of allowing others to define for us.

3. **Responsibility:** Work with

others to solve our problems.

4. **Cooperative Economics:** Build and maintain our own organization.

5. **Purpose:** To maintain and keep our beloved organization viable.

6. **Creativity:** A different method of recruiting new members and retaining others.

7. **Faith:** Believe in our people and leaders that they will do the right thing.

Implementing these seven principles will help us carry a smile that will never fade into the New Year!

MARY MASON YOUNG

I am looking forward to a **New Year with New Experiences** and a **New Leader!**

Best wishes for good health, happiness and peace.  
**MERRY CHRISTMAS AND A HAPPY NEW YEAR!**

Be blessed,

*Mary Mason Young*

## **Letter to the Editor...**

American Bridge Association  
C/O Mrs. Dorothy Smith

Dear Mrs. Smith and the American Bridge Association,

I am writing to express my sincere gratitude to you for your generous \$1,000 American Bridge Association scholarship. I was thrilled when I learned that I was awarded this honor. I am deeply appreciative of your support and I thank you for making this possible for me.

This year I am a sophomore majoring in English at The College of Saint Rose. I hope to graduate in May of 2014 with a Bachelor's Degree. At Saint Rose I am a member of the Student Association and a Peer Leader at the Office of Intercultural Leadership. Being a member of these groups helps me appreciate the college outside of the classroom. Also, I like the courses I have this semester. While

several are challenging they are all enjoyable.

Thanks to you and your efforts I was able to receive this scholarship. I am extremely grateful for your generosity and support. The American Bridge Association scholarship has helped ease the financial burden of school so that I can focus on my classes. When I graduate my goal is to become an editor at a book publishing company. I am one step closer to that goal because of you and the financial assistance you have provided. I promise to work hard and excel here at school so that you can be proud of me and my accomplishments. Again, thank you.

Sincerely,  
Lauren Yarber

## ABA and Bridge Base Online

The American Bridge Association and Bridge Base Online (BBO) have agreed to begin offering bridge games on the internet which will award ABA master points. There are issues to work out and we feel they will be resolved very shortly. We will let the membership know as soon as all issues are resolved. In the meantime we urge our members to register at BBO and start playing to get practice — it's FREE! Here's all you have to do:

Go to [www.bridgebaseonline.com](http://www.bridgebaseonline.com) and click on Play Bridge Now. That will take you to a screen so you may register at BBO. After registering and signing on, you are now ready to play. Just follow the instructions and enjoy. BBO also offers bridge anecdotes and expert advice on bidding and playing of the hand. You can also kibitz many of the best players in the world.

It's a fun website that is open 24/7 so you can play bridge any hour of the day or night without leaving the comforts of your home. There are many ABA'ers already playing and you may recognize some of them.

## Attention: Beginners & Intermediates

We are considering starting a question and answer column for you, if you are interested enough to send in the questions. Send them to Sam Graham:  
[spade1@comcast.net](mailto:spade1@comcast.net).  
We'll publish the best, but I will do my very best to answer each question. But keep in mind, no questions, no article!

# Train A Player (TAP) Program

Recruit  
Reclaim  
Retain

This **true story** is so incredible it must be published in the *Bulletin* for the following two reasons:

(1) It might influence someone in the ABA to try this or something similar; and (2) It proves the point that there are talented “under 600” players in the ABA, with great ideas, who should be chosen to serve on National Committees.

Claudia Jones (“0-299” category — completed Beginners’ Bridge Class in 2009) came to me with a plan that she believed would get some of the students who completed previous classes to play bridge. She asked for names back to year 2007 — there were

27. Claudia personally invited them to a Bridge Luncheon at DDBC Clubhouse — using the \$100.00 she received as recipient of the 2010 Merit Award to defray the expenses. Four tables were in attendance; the food was delicious; and the abbreviated bridge game inspired the attendees to participate in the proposed TAP Program.

From an “availability” list that was circulated during the luncheon, Claudia has scheduled 2-hour training sessions on Thursdays to familiarize the players with duplicate bridge (bid boxes, convention cards, Mitchell movements, etc). She intends to schedule sessions for similar training on Saturdays

for those who cannot attend on Thursdays. The next phase of the TAP Program will be assigning mentors to these players to play bridge with them at DDBC Club Games about once a month and participate in training sessions for them occasionally. Several experienced players are currently assisting with this effort.

The ultimate goal is not only to increase ABA membership but also to prepare these players to attend the **SUMMER NATIONALS IN INDIANAPOLIS!**

## You're a Blessing to Me

### An Inspirational Message by Emily Matthews

*When we count our many blessings, it isn't hard to see  
That life's most valued treasurers are the treasures that are free,  
For it isn't what we own or buy that signifies our wealth,  
It's the special gifts that have no price - our family, friends and health.*

*When I'm counting all my blessings, there's one thing I always do -  
I stop and say a "Thank You, Lord!" for very special you,  
For you're someone who'll forever be a dear and precious part  
Of the warm and treasured memories I hold within my heart.*

**HAVE A WONDERFUL  
CHRISTMAS AND NEW  
YEAR AND MANY  
BLESSINGS TO YOU  
AND YOUR FAMILY.**

**Barbara Vinzant,  
ABA Bulletin  
Editor**
