

Albert Freeman

The Cleveland of Bridge Clubs mourns the loss of Albert Freeman (known as Al). He passed away February 23, 2015.

Al was a skilled master of bridge, beloved instructor and mentor, as well as a long time, faithful and impassioned leader of CCBC.

He was also the esteemed recipient of the Life Membership Award for devoted service to ABA.

In the "Bridge World", he had reached the level of Gold Diamond. However, his command of the game stretched far and beyond.
